Nellore, Andhra Pradesh, India - 524001

OBJECTIVE

Motivated aspiring Data Analyst and Backend Developer with skills in SQL, data analysis, and server-side development. Seeking to build efficient backend systems and extract meaningful insights from data to support data-driven decision making

SKILLS

- **Programming Languages** : Python, SQL , C , Java
- **Backend Frameworks** : Django, Django REST Framework, FastAPI
- **Databases** : PostgreSQL, MySQL, MongoDB
- **Backend Concepts** : REST API design, ORM, Database Schema Design
- **Tools** : Git, GitHub, Postman, Linux basics

EXPERIENCE

- **Edunet Foundation (AICTE–Microsoft Initiative)** May 2025 – June 2025
AI Azure Intern Remote
 - Completed a 4-week internship focused on AI with Microsoft Azure.
 - Implemented projects using cloud-based AI services and tools.
 - Gained hands-on experience with AI model deployment and Azure integration.

EDUCATION

- **Vellore Institute Of Technology** 2023 - Expected 2027
Bachelor of Technology in Computer Science and Engineering Vellore, India
 - CGPA: 7.65/10.00 (Current)
- **Narayana Junior College** April 2023
Physics, Chemistry, Mathematics (Intermediate) Nellore, India
 - Grade: 86.3%

PROJECTS

- **FreshNCook | End-to-End Food Spoilage Detection System** June 2025
Python, TensorFlow, Keras, TensorFlow.js, OpenCV, Jupyter, Git 
 - Engineered a high-performance **Convolutional Neural Network (CNN)** architecture using **TensorFlow** and **Keras** to automate real-time food quality assessment with **Computer Vision**.
 - Implemented an optimized **Data Pipeline** utilizing **OpenCV** for 128 × 128 RGB image pre-processing, normalization, and **Data Augmentation** to enhance model generalization.
 - Refined model hyperparameters, including **Adam Optimizer** and **Categorical Cross-Entropy**, while applying **Dropout Regularization (50%)** and **Batch Normalization** to mitigate overfitting.
 - Executed **Model Quantization** and converted the trained weights to **TensorFlow.js**, enabling low-latency, **client-side inference** for a seamless web-based deployment.

CERTIFICATIONS

- **Oracle Cloud Infrastructure 2025 Certified Generative AI Professional** 2025
- **McKinsey - Forward Program Skill Badge** 2025

ACTIVITIES & SOCIETIES

- **National Softball Player — Andhra Pradesh State Team** Punjab, India
38th Junior National Softball Championship Sep 2021
 - Represented Andhra Pradesh at the national-level championship, demonstrating teamwork and leadership.
 - Balanced academics with competitive athletics while contributing as a core team member
- **Sales Coordinator — Riviera 2026** Vellore, India
Vellore Institute of Technology Jan 2026 – Feb 2026
 - Managed sales operations and logistics for VIT's flagship cultural fest, Collaborated with teams to ensure smooth event execution .
